3. Declaration of interest

The procedure for declaring an interest was explained which is now easier as we are meeting face to face, and forms available from the Clerk

4. Minutes of the 14th July meeting were approved as there was no meeting as usual during August, and the September Council was adjourned following the death of Queen Elizabeth II It was proposed that the minutes were accurate by Cllr D W Jones and this was seconded by Cllr D Jones-Morris

5. Matters arising

It was discussed that a meeting needs to be held between the Council and the Management Committee of the existing centre to discuss the Management of the new centre, as the date it will be transferred to us is getting closer and there is nothing in place **It was agreed to include as part of the monthly agenda**

6. Financial matters

In addition to the minutes of 2 Finance Sub-Committees, a financial balance sheet had been shared showing expenditure and proceeds over the summer. Following receipt of the second part of the Precept, there is now £48,82.42 in the current account and £45,046.39 in the Deposit Account

The need to try to push projects that have already been identified but still not achieved – such as Penrhos Road Centres, developing the small Chapel, Caerhun Playing Field – was discussed, and information was shared about the Defibs scheme which would add to our network of machines It was agreed that Sub-groups would be established to identify exactly what needs to be done and where.

It was asked whether the members of Pentir would look at renewing the Chapel to prioritise what can be priced and completed between now and the end of the financial year

The Clerk to look at the prices for the Playing Field in Caerhun

The Clerk also to consult Gwynedd Council regarding the intention to renew bus shelters along Penrhos Road, as it is now clear that the two areas adjacent to ours have already received new shelters on the T2 bus route

7. Planning Application C22/0800/25/LL Vaynol Arms It was noted that there was a great deal of concern regarding this application among local residents as there were plenty of holiday units in the area but a lack of places for residents to socialise, which has been the case in Pentir for many decades

Application C22/0849/25/LL No one was aware of the location of Rhos Bach, except that they could see from the map that it was behind Rhos Fawr, where landfill tipping would occur and whether it was an agricultural holding. However, no objection was made

Applications C22/0841/25/DT and C22/0842/25/TC were for the same location 28 Caerhun  
No Objection

8. Clerk's Matters It was reported that there was now a need to add information about our latest Councillors who have joined since the election in May and they were asked to send the Clerk a photograph and some information about themselves so that the website could be updated and some news could be added
